Who We Are

VedAtma Consulting is revolutionizing student career guidance by focusing on the core of what makes each student unique. Unlike traditional career counseling services, VedAtma stands out through:

- **Elite Assessment Tools:** Leveraging the prestigious Myers-Briggs Type Indicator® and Strong Interest Inventory® to understand student personalities, aptitudes, and interests.
- **Customized Counseling Approach:** Providing in-depth, one-on-one online counseling sessions tailored to each student's unique potential and aspirations.

Why Choose VedAtma?

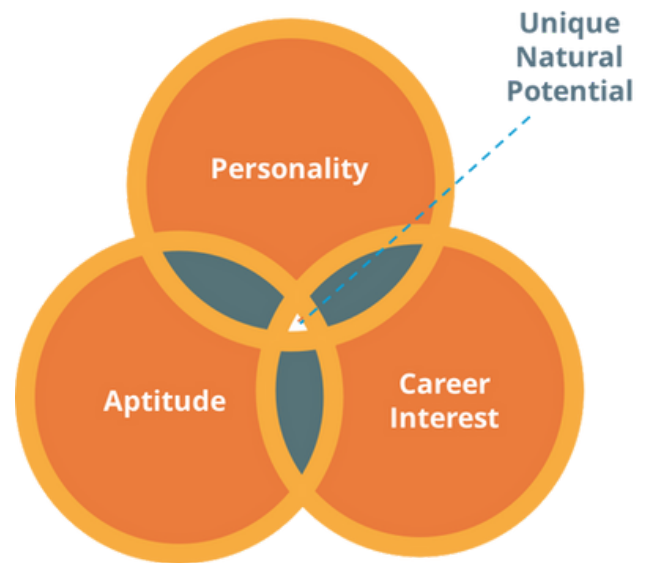

Global Recognition: Utilizes Myers - Briggs Type Indicator® and Strong Interest Inventory®, embraced by premier educational institutions and companies for guiding students and individuals.

Personalized Insights: Delve into students' unique personalities, interests, and abilities to chart a fulfilling educational and career pathway.

Trusted by the Best: These tools are the cornerstone for career planning in top educational institutions, offering a proven framework for success.

Empower Their Potential: Equip students with the clarity and direction needed to thrive in their future endeavors.

Certified Experts: Our professional counselors are Myers - Briggs Type Indicator® and Strong Interest Inventory® certified, ensuring reliable and insightful guidance.

Unique Natural Potential

VedAtma uncovers a student's unique natural potential with the convergence of their personality, interests, and aptitude. Our tailored guidance steers a student towards study and career paths that truly match their individual essence, empowering a future filled with passion and purpose.

The VedAtma Process

1

Unlocking Unique Natural Potential

We begin by identifying each student's natural talents through globally recognized psychometric assessments, ensuring a solid foundation for personalized guidance.

2

Personalized Online Counseling

- Our process includes online personalized counseling, meticulously structured over
- three sessions to deeply understand and
- guide each student

3

Ideal Career Paths and Post-Counseling Support

The third step in the VedAtma process is to identify the career or study paths for each individual. Our comprehensive approach to career counseling, ensures that students are fully equipped to make informed decisions about their futures.
